It's Not Too Late to Attend the Annual CRV Picnic

by Keith Olsen

Once again, it's time for our annual club picnic. The event will be held **September 13, beginning at 1:00p.m.** rain or shine. Your President has arranged for a super catered picnic. We will gather at Stanley Park in Westfield, Massachusetts.

This is one of the most beautiful parks in New England. Walk through the gardens, along trails, and around the ponds. There are great roads to and from the park. This year's food will feature a similar menu to last year's, once again including sliced filet mignon.

For those who have attended one of our recent picnics, you know we have been able to bundle a great offer to attend the picnic and get a "free" renewal of your membership for the following year. Unluckily, the economy affected the attendance at our Charter Oak Rally this year and fewer people attended. Though we did end up in the positive, it was a much lower amount than in recent years. We are still able to offer some benefits, but not at the level we were able to do in the past.

The club is still subsidizing the cost of each member's meal

by about \$7.00 per member. We are offering Full Members the opportunity to renew their membership for next year for a 50% savings of only \$10. This renewal opportunity is only available at this time and to those members who attend the picnic.

To give you an idea about expenses, if our usual number of members attend the picnic the club will spend all the profits earned from this year's Charter Oak Rally and about an additional \$200 in subsidizing the picnic. If 50 Full Members renew their membership at this time, that's another \$500 that is not income to the club. As you can see we are not making a profit from this, but offering reduced costs to club members.

To get a correct count and to properly plan the picnic, all registrations (on the next page) and payments must be **received by September 8.**

Bring your friends or prospective club members along.

Send your checks today to:

**It's almost that time
to nominate**

CRVBMW Officers for 2010

At our October Meeting, nominations will be accepted for any and all CRVBMW Officer positions. Elections are held in November and officers for 2010 are announced at our November Meeting.

I have not asked any current officers if they have any interest in running again for their current or a different position. Officers may be nominated by another member or may self-nominate himself or herself.

If you have any interest in a position this is your time to "throw your hat" into the nominees to be considered.
